## 5<sup>th</sup> International Exhibition and Conference on Banking Technology, Equipment & Services

### Bridging Banks With Technology

Clearly, exhibitors continue to value the strength of IBEX India as a strategic platform to showcase the very latest technology and innovations that are currently shaping the banking industry. Through proactive engagement with stakeholders and a genuine commitment to excellence, IBEX India has evolved in line with industry demand, and is moving towards being a globally recognised banking event.

The support & endorsement from Allahabad Bank; ATMIA; Bank of India; Bank of Maharashtra; Central Bank of India; Cloud Computing Innovation Council of India (CCICI); Cyber Society of India; Dena Bank, Federal Bank; Indian Bank, Karnataka Bank Limited; Karur Vysya Bank; Kotak Mahindra Bank, Oriental Bank of Commerce; SVC Co-operative Bank Ltd.; Syndicate Bank; YES BANK, UCO Bank, The Maharashtra State Co-Operative Banks' Association Ltd.; The National Federation of State Cooperative Banks Ltd. (NAFSCOB); The Rajasthan Urban Co-operative Banks Federation Ltd. amongst others stands testimony to IBEX INDIA' growing credibility in the BFSI sector.

Also featured at **IBEX INDIA 2017** were several well attended round tables on "Cyber Security – Crafting a collaborative approach for the Digital Economy" by IDRBT, "Cloud Computing for Banks" by Cloud Computing Innovation Council of India & a seminar for Co-operative Banks on "Leaping into the Future". The Trade expo combined with the conference & the many events offered a unique platform for stakeholders to connect & engage in meaningful deliberations on Banking Technologies for the Digital Era.

IBEX India will return to MMRDA Grounds, Mumbai in Jan 2018 for its 6th edition.
